Dear DG,

RE: REQUEST FOR FACILITATION FOR SMC AT KSG

I request sponsorship and facilitation to undertake the **SMC** (*Senior Management Course*) at the **KSG** (*Kenya School of Government*) scheduled for **11th May- June 5th , 2026**. The training is necessary to support delivery of my current assignment and our section's **FY 2025/26 work plan**.

I am currently responsible for developing the Institutional **DGF** (*Data Governance Framework*) and rolling out **ADS** (*Automated Data Systems*). While I have the technical capacity to design these systems, effective implementation requires skills in **policy formulation, public procurement, and strategic management**, which the SMC provides.

I recently completed an MSc in Statistics and Data Science from Hasselt University (**RSS** (*Royal Statistical Society)*-accredited). My deployment (***Ref: KIPRE/DG/ADM/25/9/20190118042***) requires translating this expertise into institutional strategies and guidelines. The SMC will enable me to apply this knowledge within the public sector policy and administrative framework.

The work plan also includes establishing **M&E** (*Monitoring, Evaluation*), and **IAS** (*Impact Assessment systems*). Training in **RBM** (*Results-Based Management*) will strengthen performance tracking, reporting, and accountability, supporting the Institute's sustainability and WHO Collaborating Centre status.

This request aligns with ***Section 9 of the KIPRE HR Manual*** on CPD (*continuous professional development*) and will strengthen my capacity to support internal training and mentorship.

The course will directly support delivery of policy-ready, institutionally aligned outputs under the current work plan. I therefore request your approval and facilitation.

Attached are my deployment letter and the KSG proforma invoice for your review.

Yours faithfully,

Patrick Waweru Mwaura
