NINE-DAYS COMMUNICATION SKILLS AND RECORDS MANAGEMENT TRAINING PROGRAM

Client: Kenya Primate Research Institute

Facilitator: Supertemps International Ltd

Theme: Enhancing Organizational Efficiency and performance through Effective Communication and Strategic Records Management

Training Dates: 11/05/2026 - 19/05/2026

Venue: Mombasa.

1. Training Objectives

- Enhance effective verbal, non-verbal, and written communication in the workplace.
- Improve professional report writing, documentation, and official correspondence.
- Strengthen interpersonal communication and stakeholder engagement skills.
- Develop active listening and feedback techniques for better teamwork.
- Understand principles, policies, and legal frameworks of records management.
- Apply best practices in records creation, classification, storage, retrieval, and disposal.
- Utilize digital tools and systems for efficient records management.
- Ensure data integrity, confidentiality, and compliance with regulatory standards.
- Integrate communication and records management for improved organizational efficiency.

2. Expected Outcomes

- Improved internal and external communication effectiveness.
- Enhanced quality and clarity of reports and official documentation.
- Reduced errors and miscommunication in operations.
- Better stakeholder relations and customer service delivery.
- Efficient and standardized records management practices.
- Improved document tracking, retrieval, and storage systems.
- Increased compliance with legal and regulatory requirements.

- Strengthened accountability, transparency, and information security.
- Increased productivity and service delivery efficiency.
