Dear DG,

SUBJECT: REQUEST FOR APPROVAL: ODPC REGISTRATION FEES (KES 8,000)

As a data handler and controller, KIPRE is legally required to comply with the Data Protection Act, 2019.

This necessitates statutory registration with the Office of the Data Protection Commissioner (ODPC) under two categories:

- **Data Controller:** For determining the purpose and means of processing personal data.
- **Data Processor:** For handling and processing personal data on behalf of the institute.

The Data Science and Analytics department has prepared the application to ensure compliance. The total cost for both licenses is KES 8,000. Kindly approve the payment to finalize the registration. The application forms and two official invoices are attached for your review.

Respectfully submitted,

Patrick Waweru Mwaura
