TO: A.g. Directors

Heds of Departments

Heds of section

RE: OPERATIONALIZATION OF THE ELECTRONIC GOVERNMENT

PROCUREMENT (e-GP) System.

This is to bring to your attention that the Electronic Government Procurement (e-GP) system is now fully operational and functional.

In line with the Government policy and Institutional compliance requirements, all procurement processes shall henceforth be conducted strictly through the e-GP system. No manual procurement will be authorized unless under exceptional circumstances.

Heds of Departments are therefore directed to ensure full compliance within their respective departments and to sensitize all staff involved in procurement processes accordingly.

Additionally, The Project Investigators (PI) are required to forward their approved budgets to Finance Department for consolidation and submit their respective Procurement plan for necessary amendments to align with the e-GP requirements.

Thank you.
