

INTERNAL MEMO

REF: KIPRE/DIR/HR/09/2025

DATE: 20th January 2025.

FROM: Director General

TO: Heads of Departments

Heads of section

RE: TRAINING AND RESEARCH ACTIVITIES APPROVAL

Kenya Institute of Primate Research Training Policy Refers

This is to bring to your attention that all trainings and Study leave requests for staffs must be forwarded to the Human Resource Advisory committee through Human Resource office for recommendation. It should also be noted that after approval, all the training certificates and reports be forwarded to the office of the Director General and the Human Resource section.

Any officer whose training is not sanctioned by the Human Resource Advisory Committee (Training committee) will not be considered.

Additionally, The Project Investigators (PI) should consult and get approval from Heads of non-Research sections before they include the staffs in the research activities. This is to avoid disruptions of operations and shortage in the respective sections. Kindly bring this to the attention of all your staff.
