Ms. ANGELA.A. JUMA

Dear Ms. Juma

RE: SHOW CAUSE/STOP SALARY.

Reference is made to the email communications dated 24th January 2025, from Kenya Institute of primate Research indicating your absence from duty without permission from September 2024. According to your response to the email, your letter dated 27th February 2025 you explained that you had an exceptional opportunity to pursue a master degree in Chinese Academy of Science which you stated was a sandwich programme for **three months**. The grace period has lapsed and you were expected to report to work from June 2025.

You are no doubt aware that deserting duty is inconsistent with KIPRE Policies and a gross violation of the KIPRE Terms and Condition of service and procedure manual which can lead to your dismissal from KIPRE Service.

In view of the aforementioned, Management is contemplating severe disciplinary action against you, However, before such action is taken, you are called upon to show cause as to why you should not be dismissed on account of deserting duty. Your presentation should reach this office within a month from the date of this letter failure to which you will be dismissed without further reference to you.

Yours Sincerely,

Dr. Peter Mwethera, PhD, MBS

Director General.
