The Kenya Institute of Supplies Management (KISM) is a statutory body established under Section 3 of the Supplies Practitioners Management Act (SPMA), No.17 of 2007. The Mandate of the Institute *inter alia* is to train, register, licence, discipline and regulate Supply Chain Management practitioners in Kenya.

The Institute in collaboration with The National Treasury, The State Department for Gender & Affirmative Action, UN WOMEN, National Gender Affirmative Action Fund (NGAAF) and National Gender and Equality Commission (NGEC) among other actors, has convened the **2nd Edition of the Women in Procurement and Supply Chain Management Conference**, themed **“Accelerating Action: Harnessing the Potential of Women in Procurement and Supply Chain Management.”**

Overall, the conference is seeking to bring together about **1000 women leaders, business persons and practitioners** to discourse, share experiences and provide policy proposals that shall augment their roles and contributions in supply chain management practice and connected purposes.

The specific objectives include raising awareness of opportunities in the industry, enhancing expertise in women leadership, and fostering a supportive professional community as well as

celebrating the contribution of women in shaping the future of supply chain spheres. Furthermore, the conference will champion for diversity and inclusion by highlighting the importance of gender balance within the industry. It is in this context that I invite you to nominate women serving in your Procurement and Supply Chain Management functions to attend and participate in this Forum.

The Forum is scheduled from **31st March – 4th April, 2025 in Mombasa, Kenya** at the **Sarova Whitesands Beach Resort and SPA**. The participation fees for this Forum is **Ksh 60,000.00 + VAT**, which covers discussion materials, meals, and refreshments for the duration of the event.
