Issue No. EGP/001/2025

ROLLOUT OF THE ELECTRONIC GOVERNMENT PROCUREMENT (E-GP) SYSTEM BY 1ST JULY 2025

Dear Valued Member,

The Kenya Institute of Supplies Management (KISM) is established by an Act of Parliament, the Supplies Practitioners Management Act (SPMA) No. 17 of 2007. The Mandate of the Institute *inter alia* is to register, license, train, discipline and regulate supply chain management practitioners in Kenya, across all sectors.

The Institute is working closely with the National Treasury in the rollout of the Electronic Government Procurement (e-GP) System scheduled for **1st July 2025**. The e-GP System will bolster transparency, efficiency, and accountability in the national procurement processes. The System will also contribute to the Public Financial Management (PFM) Reforms and the Country's broader agenda on digital transformation and good governance.

In this regard, the Institute has initiated a membership-wide program to build capacity and raise awareness to facilitate the successful rollout of the e-GP System. To this end, the Institute appeals to its distinguished practitioners to take the following actions:

1. Support your institution in ensuring conclusive **registration** on the e-GP Platform as already communicated by the Government by **10th June, 2025**. The e-GP Portal is accessible via <https://www.egpkenya.go.ke>.
2. Support optimal **setups, internal awareness and activation** of all procurements or supplies related user roles within your institution.
3. Report any **capacity or training gaps** to KISM for prompt guidance, technical support, and/or advisory as maybe necessary.
4. To kindly **share any other feedback/proposals** which may be used in the advancement of the Institute's mandate during this rollout. We thank you in advance for abiding by the **Institute's Code of Ethics** while using the EGP System.
