KENYA INSTITUTE OF PRIMATE RESEARCH
INTERNAL MEMO

DATE: 20 August 2026

REF: KIPRE/DSAS/DG/IDGF/2026/01

TO: Dr. Peter Gichuhi Mwethera, PhD, MBS,
Director General/CEO

THRO': Dr. Atunga Nyachieo, PhD, OGW,
Director Research and Product Development.

FROM: Mr. Patrick Waweru Mwaura
Lead, Data Science and Analytics Section (DSAS) and DPO

SUBJECT: SUBMISSION OF THE INSTITUTIONAL DATA GOVERNANCE FRAMEWORK DEVELOPMENT PLAN FOR REVIEW AND ENDORSEMENT

In fulfilment of the KIPRE Strategic Plan (2023–2027), which identifies the establishment of an Institutional Data Governance Framework (IDGF) as a strategic institutional initiative, and in implementation of the FY 2026/2027 approved DSAS Annual Work Plan under this budgeted deliverable, I respectfully submit the enclosed *Institutional Data Governance Framework Development Plan* (Document No. KIPRE/DSAS/DGF/PLN/001) for your review and strategic endorsement.

The Development Plan provides a phased roadmap for progressively establishing the Institutional Data Governance Framework through the development of governance structures, governance instruments and implementation mechanisms required to strengthen the management, stewardship and protection of institutional data assets.

Implementation is proposed through three progressive phases: (i) Framework operationalization through governance structures, implementation mechanisms and priority Standard Operating Procedures; (ii) Framework expansion through the development of additional governance policies and supporting governance instruments; and (iii) Framework institutionalization through organization wide implementation, capacity development, monitoring, evaluation and continual improvement.

I kindly request your review and endorsement of the enclosed Development Plan to facilitate its progressive implementation across the Institute.

Yours faithfully,

Mr. Patrick Waweru Mwaura

Enclosure Institutional Data Governance Framework Development Plan
(Document No. KIPRE/DSAS/DGF/PLN/001)
