Key achievements: Data Science & Analytics

DATA PROTECTION & COMPLIANCE	KIPRE registered with ODPC | DPO appointed
DATA GOVERNANCE	Data Governance Framework submitted | Governance Champions mapped
RESEARCH ANALYTICS	24 SOPs developed & operationalized | >5 projects supported | >15 Staff trained

Institutional capability established for governed, protected and analytically enabled research

Capacity challenges for the expanded mandate

EXPANDED MANDATE

- Research data
- Analytics
- Data governance

CAPACITY GAP

- Specialized personnel
- Digital infrastructure
- Governance capacity

INVESTMENT PRIORITY

- Human resources
- Computing & data systems
- IDGF implementation

Institution-wide capacity assessment: 80 of 189 staff assessed across 23 divisions and 7 directorates

Priority: Align institutional capacity and infrastructure with KIPRE's expanded mandate
