RE: REQUEST FOR REINSTATEMENT AND CONTINUITY OF SPECIAL DUTY ALLOWANCE

Following the discontinuation of my Special Duty Allowance (SDA) after six months of payment, I respectfully request reconsideration and reinstatement of the allowance.

My deployment to the Data Science & Analytics Section (DSAS), under reference KIPRE/DG/ADM/25/9/20190118042, remains in force, and the institutional reorganisation contemplated in the deployment arrangements is yet to be completed.

My original memo dated 14 April 2026 (Ref: KIPRE/SDA/PWM/2026/01) expressly addressed continuity of the SDA under Section 3, Alignment with ongoing institutional re-organization, requesting authorisation for the duration of my deployment in accordance with Clause 4.6.4 of the HR Manual. The discontinuation of the allowance despite the continuation of my assignment therefore warrants reconsideration.

I accordingly request reinstatement of the SDA and consideration of payment for the period of discontinuation, subject to the applicable HR Manual provisions. Should renewal or a fresh application be required, I request clarification of the relevant provision and its applicability to my continuing deployment.

I remain committed to discharging my assigned responsibilities and supporting the Institute's strategic objectives.

Respectfully submitted,

Patrick Waweru Mwaura
Data Science & Analytics Section (DSAS)
